Appointment of an additional Accountant on Rs 60/- p.m. for the Rationing Office - Mysore city

Letter no. F2. 2057/44 dated the 29th February, 1944, from the Director of Food Supplies, Recommending sanction for the appointment of an additional Accountant on Rs. 60/- p.m. for the Rationing Office, in Mysore city

1) The city Rationing Officer, Mysore city, has reported that the accounts work in the Rationing Office is very heavy for the two officials — one Accountant on Rs. 50/- and one Accountant-cum-Cashier on Rs 40/- — who are working in the accounts branch of that office - and that they have not been able to attend to the maintenance of Subsidiary Registers promptly. He has, therefore, urged the Strengthening of the said staff by the appointment of a Senior Accountant on Rs. 60/- p.m.

2) The D.F.S. has recommended the above proposal for the appointment of an additional Accountant (on Rs 60/- p.m.) and has added that the Auditor and Accounting Officer of the Food Dept. also considers that the appointment is "very necessary". The recommendation is for orders.

3) In G.O. No. Ld 1157-55/A17-44-2 dated the 18th/24th August 1944, Sanction

4979 Appointment of an additional accountant on Rs 60/- p.m. for the Rationing office in Tuticorin city.

as been accorded, among other things, for the continuance of the Accounts establishment (vide details at item IV of the annexure to G.O.) attached to the Rationing office in Tuticorin city, till the end of June 1945. The staff is to deal for the audit and accounts work relating to the rationing ~~[illegible]~~ services in Tuticorin city. Whenever the services of this staff cannot be utilised for the work in question which pertains to the same office and the necessity for the appointment of an additional hand on Rs 60/- p.m. is avoided, it is a point for consideration. Secs 2/4 4) The D.A.G. is requested to be consulted. A. An Accounts clerk on 30-3-60 ("for general purposes") has been sanctioned as a part of the Accounts establishment and may well be utilised for the work for which an extra hand is now suggested.

The Auditor, who inspected the Accounts Branch, observed that additional subsidiary registers should be maintained. In view of the above circumstances, the assistance of one more official is quite essential to the Accounts-Branch.
